PROGRAMME REPORT

PROGRAMME NAME	A One Day Seminar on Drug Safety and Pharmacovigilance: Current Research Perspectives
RESOURCE PERSON	Mrs. B.Padma Sri M.Pharm,(Ph.D) Associate Professor Sri Venkateswara college of pharmacy, Etcherla PHONE NO: 8790837966 Email id: padmasripharma@gmail.com
DATE OF ACTIVITY	20.09.2021
PROGRAMME COORDINATOR	Mr.B. Akhil M.Pharm Sri Sivani College of Pharmacy
VENUE	SSCP SEMINAR HALL
ORGANISED BY	SRI SIVANI COLLEGE OF PHARMACY
NO OF PARTICIPANTS	26

OBJECTIVE OF THE PROGRAMME

The objective of the One Day Seminar on Drug Safety and Pharmacovigilance is to provide participants with a comprehensive understanding of the latest research perspectives in the field of drug safety and Pharmacovigilance. The seminar aims to explore contemporary challenges, methodologies, and regulatory frameworks related to monitoring and assessing the safety of pharmaceutical products. By bringing together experts and researchers, the seminar seeks to foster knowledge exchange and critical thinking, ultimately contributing to the advancement of drug safety practices and public health.

Mrs. B. Padma Sri interacting and delivered her talk to students on 20.09.2021

OUTCOMES OF PROGRAMME

By the end of the seminar, participants will be able to:

- **In-Depth Insight:** Participants will gain a deep understanding of the current research landscape in drug safety and Pharmacovigilance, including emerging trends, methodologies, and technologies.
- **Challenges and Solutions:** Participants will be able to identify and analyze the challenges associated with drug safety monitoring and Pharmacovigilance and explore potential solutions through case studies and discussions.
- **Regulatory Awareness:** Participants will be familiarized with the regulatory frameworks governing drug safety and Pharmacovigilance at the national and international levels, enhancing their comprehension of compliance requirements.
- **Risk Assessment Skills:** Participants will develop skills in assessing and managing risks associated with pharmaceutical products, understanding the importance of adverse event reporting and risk communication.
- **Research Application:** Participants will be equipped to apply the acquired knowledge to their own research projects, integrating contemporary perspectives into their studies and contributing to advancements in drug safety practices.

ABOUT THE COLLEGE

Sri Sivani College of Pharmacy was established in the year 2007 under the visionary management of Sri Sivani Educational Society, led by highly motivated and philanthropic individuals with a vision for meticulous planning and commitment to the upliftment of professional education in rural areas of Srikakulam district, Andhra Pradesh. The college is situated in the Eastern Ghats of Andhra Pradesh with a serene, beautiful atmosphere near NH-16, making it easily accessible by bus and local transport from Srikakulam town. The campus is spread across 2.56 acres of pollution-free, picturesque, lush green surroundings, creating the right ambiance and conducive environment for quality education and research.

QUALITY POLICY

Sri Sivani Educational Society committed to create quality professionals in order to meet emerging industrial and society needs through a system of quality assurance and to continuously address, monitor and evaluate the quality of education through an effective teaching and learning process.

COURSES OFFERED

B.PHARMACY - 4 YEARS

PROGRAMME REPORT

PROGRAMME NAME	A One Day Seminar on Statistical Software's for Research: Applications and Interpretation.
RESOURCE PERSON	Dr.P. Chiranjeevi Associate Professor Vignan Institute of Pharmaceutical Technology Visakhapatnam PHONE NO: 9885467893 Email id: ponnam107@gmail.com
DATE OF ACTIVITY	06.10.2021
PROGRAMME COORDINATOR	Mr.B. Akhil M.Pharm Sri Sivani College of Pharmacy
VENUE	SSCP SEMINAR HALL
ORGANISED BY	SRI SIVANI COLLEGE OF PHARMACY
NO OF PARTICIPANTS	90

OBJECTIVE OF THE PROGRAMME

The objective of the One Day Seminar on Statistical Software for Research: Applications and Interpretation is to familiarize participants with various statistical software packages, including R, Python, SPSS, and SAS, by providing insights into their features and interfaces. The seminar aims to introduce participants to essential statistical techniques for data analysis, hypothesis testing, and visualization, while also offering hands-on experience in utilizing these techniques through practical exercises. By the end of the seminar, participants should be proficient in interpreting statistical results, selecting the appropriate software for their research needs, and applying these skills to enhance the quality of their research endeavors.

Keynote Speaker Dr. P. Chiranjeevi

OUTCOMES OF PROGRAMME

By the end of the seminar, participants will be able to:

- **Enhanced Software Proficiency:** Participants will gain a better understanding of different statistical software packages, enabling them to navigate the interfaces, execute basic commands, and perform data analysis tasks more efficiently.
- **Statistical Competence:** Participants will acquire fundamental knowledge of key statistical techniques and concepts, empowering them to apply these methods to their own research projects and analyze data accurately.
- **Hands-On Skills:** Through practical exercises and interactive sessions, participants will develop hands-on skills in data manipulation, analysis, and visualization using various statistical software tools.
- **Application in Research:** Participants will leave the seminar with the knowledge and confidence to immediately apply the skills acquired to their ongoing or upcoming research projects, contributing to the overall quality of their work.

By achieving these objectives and outcomes, the seminar aims to empower participants with the necessary skills and knowledge to harness the potential of statistical software for research purposes, fostering better data-driven decision-making and advancing the quality of research endeavors.

ABOUT THE COLLEGE

Sri Sivani College of Pharmacy was established in the year 2007 under the visionary management of Sri Sivani Educational Society, led by highly motivated and philanthropic individuals with a vision for meticulous planning and commitment to the upliftment of professional education in rural areas of Srikakulam district, Andhra Pradesh. The college is situated in the Eastern Ghats of Andhra Pradesh with a serene, beautiful atmosphere near NH-16, making it easily accessible by bus and local transport from Srikakulam town. The campus is spread across 2.56 acres of pollution-free, picturesque, lush green surroundings, creating the right ambiance and conducive environment for quality education and research.

QUALITY POLICY

Sri Sivani Educational Society committed to create quality professionals in order to meet emerging industrial and society needs through a system of quality assurance and to continuously address, monitor and evaluate the quality of education thorough an effective teaching and learning process.

COURSES OFFERED

B.PHARMACY - 4 YEARS

M.PHARMACY - 2 YEARS

***PHARMACEUTICS**

***PHARMACEUTICAL ANALYSIS**

***REGULATORY AFFAIRS**

OBJECTIVE OF THE PROGRAM

The objective of the One Day Seminar on Statistical Software for Research: Applications and Interpretation is to familiarize participants with various statistical software packages, including R, Python, SPSS, and SAS, by providing insights into their features and interfaces. The seminar aims to introduce participants to essential statistical techniques for data analysis, hypothesis testing, and visualization, while also offering hands-on experience in utilizing these techniques through practical exercises. By the end of the seminar, participants should be proficient in interpreting statistical results, selecting the appropriate software for their research needs, and applying these skills to enhance the quality of their research endeavors.

PROGRAMME REPORT

PROGRAMME NAME	A One Day Seminar on Pharmacy Research in Precision Medicine: From Genomics to Therapeutics.
RESOURCE PERSON	Mr.D. Prasanth M.Pharm(Ph.D.) Associate professor Sri Venkateswara college of pharmacy, Etcherla PHONE NO: 9397822885 Email id: prasanthkuc@gmail.com
DATE OF ACTIVITY	20.11.2021
PROGRAMME COORDINATOR	Mr.B. Akhil M.Pharm Sri Sivani College of Pharmacy
VENUE	SSCP SEMINAR HALL
ORGANISED BY	SRI SIVANI COLLEGE OF PHARMACY
NO OF PARTICIPANTS	68

OBJECTIVE OF THE PROGRAMME

The objective of the One Day Seminar on Pharmacy Research in Precision Medicine is to provide attendees with a comprehensive overview of the role of pharmacy research in advancing precision medicine, focusing on the integration of genomics and therapeutics. The seminar aims to explore the latest advancements in pharmacogenomics, personalized treatment strategies, and innovative technologies that contribute to the realization of precision medicine's potential. By bringing together experts and participants, the seminar seeks to foster knowledge exchange, interdisciplinary collaboration, and a deeper understanding of the transformative impact of precision medicine in pharmacy practice.

Keynote Speaker: Mr.D. Prasanth

OUTCOMES OF PROGRAMME

By the end of the seminar, participants will achieve the following outcomes:

- ❖ **Understanding Precision Medicine:** Participants will gain a thorough understanding of the principles and concepts underlying precision medicine, including its application in pharmacy practice.
- ❖ **Genomic Insights:** Attendees will be exposed to cutting-edge research in pharmacogenomics, enabling them to comprehend how genetic information can inform drug response and guide personalized treatment decisions.
- ❖ **Therapeutic Innovations:** Participants will explore novel therapeutic approaches arising from precision medicine research, including targeted therapies, biomarker-guided interventions, and the development of tailored pharmaceutical agents.
- ❖ **Clinical Implementation:** Attendees will learn about the challenges and opportunities in translating precision medicine discoveries into clinical practice within the realm of pharmacy, bridging the gap between research and patient care.
- ❖ **Ethical and Regulatory Considerations:** Participants will engage in discussions about the ethical implications and regulatory frameworks associated with integrating genomic data into pharmacy practice, ensuring a responsible and patient-centered approach.

ORGANISED BY	SRI SIVANI COLLEGE OF PHARMACY
NO OF PARTICIPANTS	69

OBJECTIVE OF THE PROGRAMME

The objective of the One Day Seminar on Pharmacokinetics and Drug Delivery Systems is to provide participants with up-to-date knowledge and insights into the field of pharmacokinetics and innovative drug delivery systems. The seminar aims to explore recent research advancements, methodologies, and technologies that impact drug absorption, distribution, metabolism, excretion, and the development of effective drug delivery strategies. By bringing together experts, researchers, and participants, the seminar aims to foster a deeper understanding of the complex interplay between drug properties, physiological factors, and delivery approaches, contributing to the enhancement of drug efficacy, safety, and patient outcomes.

OUTCOMES OF PROGRAMME

By the end of the seminar, participants will achieve the following outcomes:

- Gain a comprehensive grasp of pharmacokinetic principles and their role in drug development.
- Stay updated on the latest research trends and breakthroughs in drug delivery and pharmacokinetics.
- Familiarize themselves with innovative drug delivery technologies and their potential benefits.
- Learn strategies to optimize dosing regimens and enhance drug bioavailability.
- Understand the practical application of research insights in clinical settings.
- Cultivate interdisciplinary collaborations and broaden their perspectives.
- Be inspired to initiate impactful research endeavors in pharmacokinetics and drug delivery.
- Improve clinical decision-making through informed drug selection and dosing considerations.

ABOUT THE COLLEGE

Sri Sivani College of Pharmacy was established in the year 2007 under the visionary management of Sri Sivani Educational Society, led by highly motivated and philanthropic individuals with a vision for meticulous planning and commitment to the upliftment of professional education in rural areas of Srikakulam district, Andhra Pradesh. The college is situated in the Eastern Ghats of Andhra Pradesh with a serene, beautiful atmosphere near NH-16, making it easily accessible by bus and local transport from Srikakulam town. The campus is spread across 2.56 acres of pollution-free, picturesque, lush green surroundings, creating the right ambiance and conducive environment for quality education and research.

QUALITY POLICY

Sri Sivani Educational Society committed to create quality professionals in order to meet emerging industrial and society needs through a system of quality assurance and to continuously address, monitor and evaluate the quality of education through an effective teaching and learning process.

COURSES OFFERED

B.PHARMACY - 4 YEARS

M.PHARMACY - 2 YEARS

***PHARMACEUTICS**

***PHARMACEUTICAL ANALYSIS**

***REGULATORY AFFAIRS**

OBJECTIVE OF THE PROGRAM

The objective of the One Day Seminar on Pharmacokinetics and Drug Delivery Systems is to provide participants with up-to-date knowledge and insights into the field of pharmacokinetics and innovative drug delivery systems. The seminar aims to explore recent research advancements, methodologies, and technologies that impact drug absorption, distribution, metabolism, excretion, and the development of effective drug delivery strategies. By bringing together experts, researchers, and participants, the seminar aims to foster a deeper understanding of the complex interplay between drug properties, physiological factors, and delivery approaches, contributing to the enhancement of drug efficacy, safety, and patient outcomes.

PROGRAMME REPORT

PROGRAMME NAME	A One Day Seminar on Intellectual Property Rights in the Pharmaceutical Industry: Challenges and Opportunities.
RESOURCE PERSON	Mrs.K.S. LAKSHMI TPO GITAM UNIVERSITY Vizag PHONE:7671861579 Mail Id:svaddadi3@gitam.edu
DATE OF ACTIVITY	01.02.2022
PROGRAMME COORDINATOR	Mr.B.Akhil M.Pharm Sri Sivani College of Pharmacy
VENUE	SSCP SEMINAR HALL
ORGANISED BY	SRI SIVANI COLLEGE OF PHARMACY
NO OF PARTICIPANTS	24

OBJECTIVE OF THE PROGRAMME

The objective of the One Day Seminar on Intellectual Property Rights in the Pharmaceutical Industry is to provide participants with a comprehensive understanding of the challenges and opportunities surrounding intellectual property (IP) rights within the pharmaceutical sector. The seminar aims to explore the intricacies of patent law, regulatory considerations, and business strategies related to drug innovation and protection. By gathering experts and attendees, the seminar seeks to facilitate knowledge exchange and informed discussions on the evolving landscape of IP rights in the pharmaceutical industry.

Keynote speaker: Mrs.K.S. LAKSHMI

K. S. Lakshmi
PRINCIPAL
Sri Sivani College of Pharmacy
 Chilakapalem-532 402, Srikakulam Dt.
 Affiliated to JNTU-Kakinada Code: DA

OUTCOMES OF PROGRAMME

By the end of the seminar, participants will be able to:

- ❖ **Comprehend IP Landscape:** Develop a clear understanding of the intellectual property framework specific to pharmaceuticals, including patents, copyrights, and trademarks.
- ❖ **Navigate Regulatory Challenges:** Gain insights into how IP considerations interact with regulatory requirements and approval processes in the pharmaceutical sector.
- ❖ **Identify Business Opportunities:** Recognize how IP strategies can drive innovation, foster partnerships, and create value within the pharmaceutical industry.
- ❖ **Address Legal Complexities:** Understand legal challenges and nuances when protecting and enforcing IP rights in a dynamic pharmaceutical environment.
- ❖ **Strategize for Success:** Acquire tools to formulate effective IP strategies that balance innovation, competition, and compliance in drug development.
- ❖ **Promote Industry Collaboration:** Foster networking and collaboration among participants to share experiences, best practices, and potential partnerships related to IP rights.

Through these outcomes, the seminar aims to equip participants with the knowledge and perspectives needed to navigate the complex landscape of intellectual property in the pharmaceutical industry, facilitating informed decision-making and contributing to the sector's sustainable growth and innovation.

PROGRAMME REPORT

PROGRAMME NAME	A One Day Workshop on Patent Protection Strategies for Pharmaceutical Innovations.
RESOURCE PERSON	Mrs.AshaParveen M.Pharm (Ph.D) Associate professor Srinivasa rao college of pharmacy, Visakhapatnam PHONE NO: 8121278896 Email id: parveenasha4@gmail.com
DATE OF ACTIVITY	15.02.2022
PROGRAMME COORDINATOR	Mr.B. Akhil M.Pharm Sri Sivani College of Pharmacy
VENUE	SSCP SEMINAR HALL
ORGANISED BY	SRI SIVANI COLLEGE OF PHARMACY
NO OF PARTICIPANTS	90

OBJECTIVE OF THE PROGRAMME

The objective of the One Day Workshop on Patent Protection Strategies for Pharmaceutical Innovations is to provide participants with a focused and in-depth understanding of effective patent protection strategies specifically tailored to the unique challenges and opportunities within the pharmaceutical sector. The workshop aims to equip attendees with the knowledge and tools necessary to navigate the complex patent landscape, maximize the value of their pharmaceutical innovations, and make informed decisions about patent filing, prosecution, and enforcement.

Mrs.AshaParveen interacting and delivered her talk to students on 15.02.2022

1. Dec 22
PRINCIPAL
Sri Sivani College of Pharmacy
 Chilakapalem-532 402, Srikakulam Dt.
 Affiliated to JNTU-Kakinada Code: DA

OUTCOMES OF PROGRAMME

By the end of the seminar, participants will be able to:

- Grasp Patent Fundamentals: Develop a solid understanding of patent law basics, terminology, and key concepts as they pertain to the pharmaceutical industry.
- Navigate Pharmaceutical Landscape: Gain insights into the intricacies of patent protection in the context of pharmaceutical innovations, including considerations related to drug compounds, formulations, methods of treatment, and more.
- Identify Patentable Subject Matter: Learn how to identify and evaluate aspects of pharmaceutical innovations that are eligible for patent protection, and recognize potential challenges and limitations.
- Formulate Effective Strategies: Acquire the skills to develop comprehensive patent protection strategies that align with business goals, considering factors such as timing, international considerations, and competitive landscapes.
- Address Regulatory Interfaces: Understand how patent strategies intersect with regulatory processes and requirements in the pharmaceutical sector, particularly during drug development and approval.
- Mitigate IP Risks: Learn to identify and address potential IP risks, such as patent infringement, freedom-to-operate issues, and the impact of emerging technologies.
- Promote Innovation Culture: Foster an environment conducive to innovation by promoting awareness of the importance of patent protection and strategic IP management.

Through these outcomes, the workshop aims to empower participants with the knowledge, tools, and strategies needed to effectively protect pharmaceutical innovations through patents, ultimately supporting the growth, competitiveness, and successful commercialization of novel pharmaceutical products.

PROGRAMME REPORT

PROGRAMME NAME	A One Day Seminar on IPR Strategies for Global Expansion in the Pharmaceutical Industry.
RESOURCE PERSON	Dr.M. Trinadha Rao Professor & Principal Adarsa college of pharmacy, G. Kothapalli PHONE NO: 9133442228 Email id : trinadhraomamidi@gmail.com
DATE OF ACTIVITY	07.03.2022
PROGRAMME COORDINATOR	Mr.B.Akhil M.Pharm Sri Sivani College of Pharmacy
VENUE	SSCP SEMINAR HALL
ORGANISED BY	SRI SIVANI COLLEGE OF PHARMACY
NO OF PARTICIPANTS	68

OBJECTIVE OF THE PROGRAMME

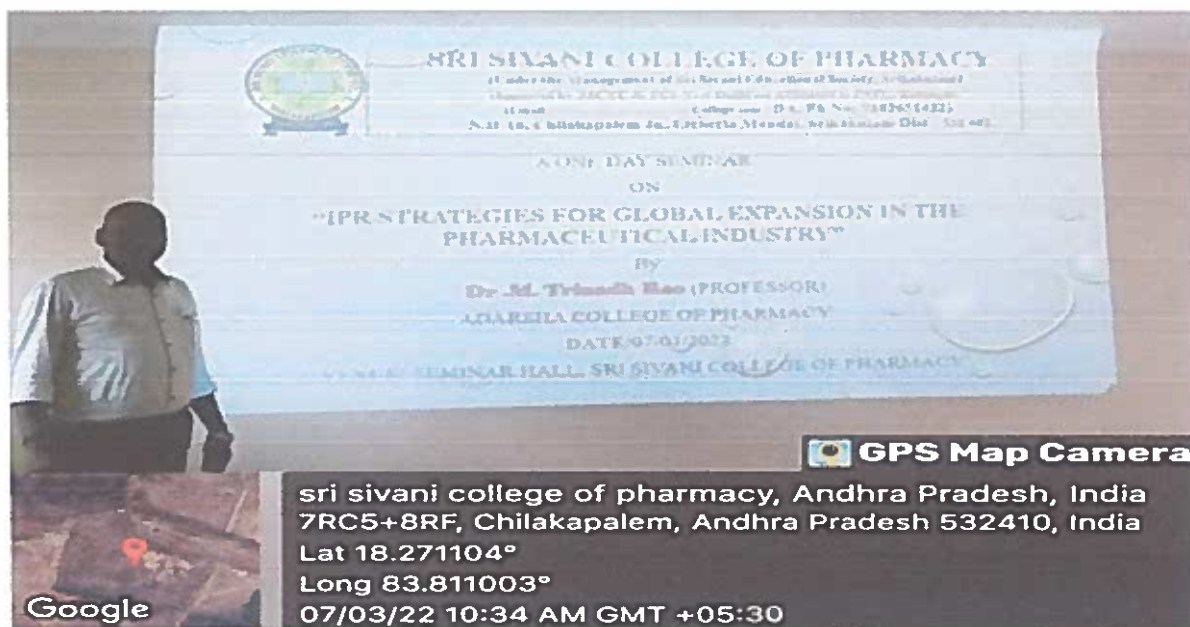

The objective of the One Day Seminar on IPR Strategies for Global Expansion in the Pharmaceutical Industry is to provide participants with insights and practical knowledge to develop and implement effective intellectual property rights (IPR) strategies that facilitate successful global expansion within the pharmaceutical sector. The seminar aims to explore the challenges and opportunities of navigating IPR across international boundaries, addressing legal, regulatory, and business considerations crucial for sustained growth and innovation.

OUTCOMES OF PROGRAMME

By the end of the seminar, participants will be able to:

- Understand Global IPR Landscape: Gain a comprehensive understanding of the global intellectual property landscape and its relevance to pharmaceutical industry expansion.

- **Navigate Cross-Border Challenges:** Develop skills to navigate the complex challenges associated with IPR protection, enforcement, and compliance in multiple jurisdictions.
- **Optimize Portfolio Management:** Acquire strategies for optimizing IPR portfolios to align with global business objectives, mitigating risks and enhancing value.
- **Leverage Regulatory Dynamics:** Understand how IPR strategies interact with diverse regulatory frameworks and approval processes in different regions.
- **Drive Business Growth:** Learn to integrate IPR strategies into broader business expansion plans, enabling innovation-driven growth and competitive advantage.
- **Foster Collaboration and Networking:** Create a platform for participants to connect, share experiences, and foster collaboration, promoting knowledge exchange within the pharmaceutical industry.

Keynote speaker: Dr.M. Trinadha Rao

Through these outcomes, the seminar aims to empower participants with the expertise and strategic mindset required to effectively manage intellectual property rights on a global scale, supporting the pharmaceutical industry's expansion efforts while safeguarding innovation and legal compliance.

PROGRAMME REPORT

PROGRAMME NAME	A One Day Seminar on Leadership and Management Skills for Pharmacy Entrepreneurs.
RESOURCE PERSON	Mr.K. Ravikumar Associate professor Sri Sivani college of engineering Chilakapalem PHONE NO: 9392069779 Email id : ravi.karmayina@gmail.com
DATE OF ACTIVITY	11.04.2022
PROGRAMME COORDINATOR	Mr.B.Akhil M.Pharm Sri Sivani College of Pharmacy
VENUE	SSCP SEMINAR HALL
ORGANISED BY	SRI SIVANI COLLEGE OF PHARMACY
NO OF PARTICIPANTS	19

OBJECTIVE OF THE PROGRAMME

The objective of the One Day Seminar on Leadership and Management Skills for Pharmacy Entrepreneurs is to equip participants with essential leadership and management competencies that are critical for success in entrepreneurial ventures within the pharmacy sector. The seminar aims to enhance participants' understanding of effective leadership practices, strategic management approaches, and business acumen, enabling them to navigate challenges and seize opportunities in the dynamic landscape of pharmacy entrepreneurship.

OUTCOMES OF PROGRAMME

By the end of the seminar, participants will be able to:

- **Develop Leadership Proficiency:** Cultivate a strong foundation in leadership principles, communication skills, and team management, essential for guiding and motivating pharmacy teams effectively.
- **Master Strategic Decision-Making:** Acquire skills in strategic planning, resource allocation, and decision-making, enabling participants to align their entrepreneurial ventures with long-term goals.
- **Foster Innovation Culture:** Learn to create an environment conducive to innovation and adaptability, encouraging creative thinking and the development of novel pharmacy solutions.
- **Navigate Regulatory Landscape:** Gain insights into regulatory considerations specific to pharmacy entrepreneurship, ensuring compliance and ethical practices.
- **Enhance Financial Acumen:** Develop an understanding of financial management, budgeting, and sustainable growth strategies tailored to pharmacy businesses.
- **Network and Collaborate:** Provide a platform for participants to network, share experiences, and foster collaborations, facilitating the exchange of ideas within the pharmacy entrepreneurial community.

Through these outcomes, the seminar aims to empower participants with the leadership and management skills necessary to drive successful pharmacy entrepreneurial ventures, contribute to sectoral growth, and provide innovative solutions that enhance patient care and business success.

ABOUT THE COLLEGE

Sri Sivani College of Pharmacy was established in the year 2007 under the visionary management of Sri Sivani Educational Society, led by highly motivated and philanthropic individuals with a vision for meticulous planning and commitment to the upliftment of professional education in rural areas of Srikakulam district, Andhra Pradesh. The college is situated in the Eastern Ghats of Andhra Pradesh with a serene, beautiful atmosphere near NH-16, making it easily accessible by bus and local transport from Srikakulam town. The campus is spread across 2.56 acres of pollution-free, picturesque, lush green surroundings, creating the right ambience and conducive environment for quality education and research.

QUALITY POLICY

Sri Sivani Educational Society committed to create quality professionals in order to meet emerging industrial and society needs through a system of quality assurance and to continuously address, monitor and evaluate the quality of education thorough an effective teaching and learning process.
